

## **PREAUTHORIZED MONTHLY ASSESSMENT PAYMENTS**

---

Preauthorized payment is a debit application. Companies with billing operations may participate in the ACH through electronic transfer (direct debit) of bill payment entries. Through standing authorizations, the consumer grants the company authority to initiate periodic charges to his or her account(s) as bills become due.

To receive the many benefits of this service, you will need to sign an authorization for us to automatically debit your personal checking or savings account. We will transmit your debit information to the Company's bank for processing. The information will then be transmitted to your bank or savings institution for withdrawal from your account. Because virtually all financial institutions participate in the direct debit program, there should be no need to alter your current banking arrangement.

Consider the following benefits:

- Convenience of not having to write checks.
- Elimination of postage expense and the risk of late payments.
- Avoidance of late payment and interest charges through prompt, timely payments.
- Establishment of excellent payment and credit records.
